## Product Description

### Product introduction:

This Outdoor Artificial Christmas Hanging Baskets has become the first choice for holiday decoration with its unique design and environmentally friendly materials. The hanging basket is based on iron art, with pine needles, pine cones and red fortune berries made of fine silk and plastic, giving it a beautiful and elegant appearance.

### Features:

Environmentally friendly and safe materials

The use of environmentally friendly and safe iron, silk and plastic materials ensures that xmas artificial hanging baskets are harmless to the environment and users, bringing good safety to your home.

European modern minimalist style

The design style combines European, modern and simple elements, making artificial xmas hanging baskets more fashionable and a unique choice for outdoor Christmas decoration.

LED lights bright night

Artificial xmas hanging baskets have built-in LED lights that add color to the night, illuminating the entire hanging basket and creating a warm and romantic Christmas atmosphere in your yard.

### Application scenarios:

This fake Christmas hanging basket is suitable for outdoor environments, such as courtyards, balconies, etc. Its good material and European modern simple style make it a unique Christmas decoration that adds a lot of color to your home. Customized services can also meet different space needs to create unique Christmas decoration effects.
